February is the month of hearts and black history! We hope that you are enjoying it while we wait patiently for Spring to arrive. We also, send positive thoughts to all of our AUA Texas families who are experiencing devastating weather during this year’s winter season. Everyone, please continue to remain safe.

What’s happening in May?

Many of you have seen the update regarding the May Kick-Off weekend. What does this mean? It means, we are extending programming for attendees virtually and culminating their experience Live In-Person September 10-13, 2021.

Ways to drive traffic to your booth!

AUA2021 has various opportunities to drive traffic to your booth. This month we want to inform you about the Skills Challenge!

Attendees will compete in your booth by showcasing their surgical skills on your devices/products. The attendees with the best scores will be listed on a leaderboard placed within your booth.
