March is flying by and this month has been filled with so much activity. This month we celebrated women across the globe and raised awareness for National Kidney Month. Also, this month, we celebrated St. Patrick’s Day and hopefully you were able to eat a little Irish Stew.

**Exhibitor Registration opens in April!**

Do you have questions regarding exhibitor badge registration? Here are a few tips:

1. Exhibitors receive five (5) badges per 100 sq. ft.
2. Additional badges can be purchased over allotment for $150 per badge.
3. Once registration opens you can obtain your login credentials to register your exhibit staff.

For more detailed information, click here!

**Showcase your Products and Devices**

**Take one day to conduct a Skills Enhancement Workshop!**

The Skills Enhancement Workshop will provide attendees with opportunity to have hands-on education in the Science & Technology Hall. Don't miss the opportunity showcase your latest products and technology to urologists. Learn More!

Contact Deidre Jefferson today!

**Current Year-Round Exhibit Opportunities**

Looking for opportunities to expand your brand? Are you looking for a new audience to showcase your product and latest technology? Take advantage of the AUA year-round meetings:
